

## Feedback on IPPW-14

Was this your 1st IPPW? If not, how many IPPWs have you attended?

Rate the program content of IPPW-14 from 1 to 5 (1 = poor, 5 = excellent):

Rate the short course at IPPW-14 from 1 to 5 (1 = poor, 5 = excellent):

Please provide feedback on IPPW-14 for the organizers:

What did you think of the new session on Small and CubeSat Probes? Are there topics that should be scaled back in order to accommodate this emerging content?

Suggestions for future topics and improvements (e.g. short course, sessions, organization, students, ...):
